4. When the link opens, select the **Download** icon to download the file to your computer.

5. After the file downloads, click on the selector arrow at the right of the file name and select **Show in Folder**.

6. The **BlazeVIEW Welcome Widget Template** compressed (zipped) file should download into your Downloads folder so that you can import it into your course(s).

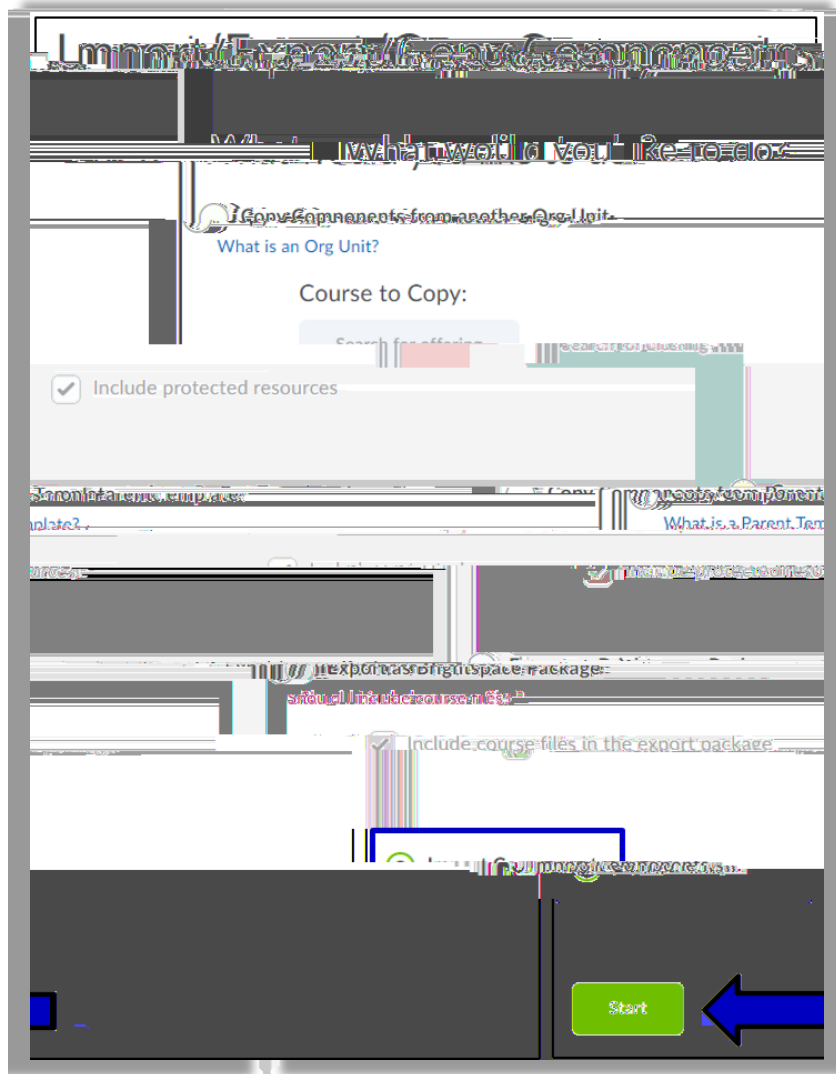

## Importing the File into Your Course

1. Navigate to the course you plan to import the BlazeVIEW Student Guide Module.
2. Click the Admin Tools icon on the Minibar and select **Import/Export/Copy Components**.

3. Select **Import Components**, then click **Start**.

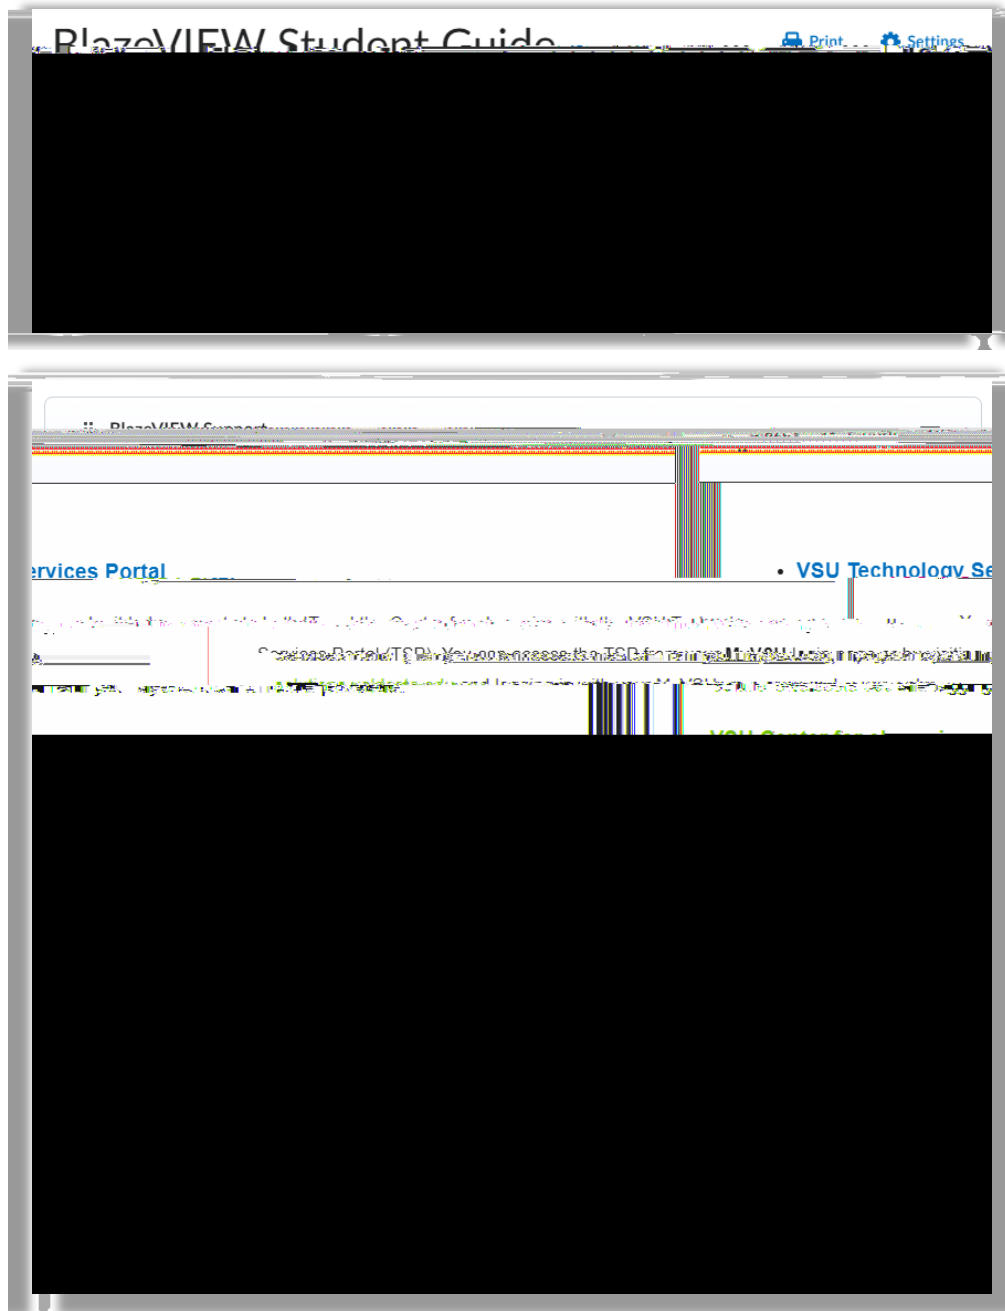

4. Click the **Upload** button and browse to upload the **BlazeVIEW Welcome Widget Template** file you downloaded earlier, then click the **Import All Components** button.

5. When the import is complete, click on the **View Content** button to navigate your course's Content section.

# BlazeVIEW Student Guide Module Contents

In this section, we have instructions and videos demonstrating how to complete grades about BlazeVIEW assessments and grades.
