

PSYCHOLOGICAL SCIENCE COLLECTION DEVELOPMENT POLICY STATEMENT

I. PURPOSE AND PROGRAM DESCRIPTION

A. Library Collection Development Objective

The Psychology Department has over 600 majors and minors at the undergraduate level. The department currently teaches over 50 of sections which include courses in experimental, testing, physiological, developmental, social, personality and clinical psychology. For most of these courses and student support, we need to maintain level 3 instructional level collections with some courses and faculty research requiring level 4 research level collections. Our program serves students from across the state and southeastern region, with

psychology, physiological psychology, cognitive psychology, industrial
organizational psychology, social psychology, educational psychology, psychology
