HEALTH SCIENCES COLLECTION DEVELOPMENT POLICY STATEMENT

I. PURPOSE AND PROGRAM DESCRIPTION

A. Library Collection Development Objective

Odum Library seeks to support the curricular, research, and life-long learning needs in all areas of Health Science. Leaders for Health Science Excellence, and Hands-on Learning accurately describes VSU's School of Health Science. From entry into practice, the School of Health Science has devoted itself to creating health care providers of the future. The [(ent.)2 (40 (c)49TH(t)2 31t)2 (ehi)6 (dot)2 (i)6 (ntH)6
