LECTURE EXAMS:

Lecture exams will be essay, short answer, and multiple choice. Exams are not strictly comprehensive, although you will need to know the previous material to answer some questions on the future exam(s). Later topics and concepts build on previously discussed material; thus, the course is much like a story that builds on previous chapters.

LABORATORY : More information about laboratory requirements/grading will be given as a separate handout.

COURSE POLICIES

You are expected to attend all lectures and labs. If a lecture is missed, you are responsible for obtaining any notes and handouts given that day. Reading of the appropriate lecture chapters and any lab materials should be completed to coming to class.
