STUDENT EVALUATION: Your grade will be determined by your performance on (1) Four lecture exams and (2) one comprehensive final exam, as well as, (3) periodic quizzes.

- (1) Each of the four **lecture exams*** will consist of multiple choice and short answer questions. Questions will come from both the reading material and the lecture material. Each lecture exam will count 100 points, but your lowest lecture grade will be dropped, for a total of 300 exam points.
- (2) The **final exam*** will be comprehensive in nature. Approximately one half of the exam will be vocabulary while the other half will consist of short answer, labeling and calculations similar to the previous tests. The final exam will weigh more heavily than the lecture exams, at 200 points.
- (3) **Quizzes** will be based on notes.

There will be 14 quizzes, each quiz will be worth 10 points, and only 10 will count toward the total of 100 possible points. I will drop your lowest 4 quiz grades. You may **not** make-up missed quizzes, missed quizzes will count toward the 4 possible dropped scores.
