completeness and a demonstrated understanding of the material throughout all portions of the assigned exercises. Labs are to be completed by the designated date and time.

Graded Questions: Each lab ends with a set of graded questions that relate to the lab activity and your responses will be scored based on correct answers. The lowest grade will be dropped and not included in your final grade. All questions/answers are to be submitted by the designated date and time for each assignment.

Discussion: The course will use discussion board to reflect on what you are learning and also what you are finding challenging. You will be scored based on your weekly engagement with course material and your peers in online discussion boards. Scoring will be based on the Weekly Lab Discussion rubric available online.

There are NO MAKE-UPS and NO EXTRA CREDIT!

ACADEMIC HONESTY POLICY: Cheating, plagiarism (submitting another person's material as one's own, or doing work for another person which will receive academic credit) are all impermissible. This includes the use of unauthorized books, notebooks, or other sources in order to secure or give help during an assignment or exam, the unauthorized copying of examinations, assignments, reports, or term papers, or the presentation of unacknowledged material as if it were your own work. **Plagiarism detection software may be used during this course to detect possible instances of plagiarism.** Students are responsible for knowing, understanding and complying with the VSU Student Code of Conduct, in Appendix A of the Student Handbook
