

Dr. Adam Safer
BSC 1211
Wednesday 2:00pm - 3:00pm and Friday 9:00am - 10:00 am or by
appointment
229.333.6001
absafer@valdosta.edu

Monday, Wednesday, and Friday 10:00am - 10:50am in BSC 1023

BIOL 2651 Lab Sec D Thursday 2:00pm - 3:50pm in BSC 1203

BIOL 2651 Lab Sec E Thursday 4:00pm - 5:50pm in BSC 1203

Principles of Anatomy and Physiology, 13th, 14th or 15th edition, by G. J. Tortora & B. Derrickson, John Wiley & Sons.

(Laboratory Manual for Human Anatomy and
Physiology, 3rd ed., Smith and Loughry, Burgess Publishing.

The lab manual and lab materials are

:

1. To learn and develop a working knowledge of anatomic terminology and be able to apply this terminology.
2. To understand the basic organization (i.e. anatomy) of the human body.
3. To learn chemical and physiologic principles as they apply to the human body.
- 4.

Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing reasonable accommodations. The access Office is located in Farbar Hall. The phone numbers are 229-245-2498 (V), 229-375-5871. For more information, please visit [VSU's Access Office](#) or email: access@valdosta.edu.

: Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: the Director of the Office of Social Equity, titleix@valdosta.edu, 1208 N. Patterson St., Valdosta State University, Valdosta, Georgia 31698, 229-333-5463.

The Academic Support Center (ASC) provides free peer tutoring in core curriculum courses, including, math, writing, sciences, social sciences, humanities, and foreign languages. The ASC also provides supplemental instruction (tutor-led study group sessions) for historically difficult courses like biology, chemistry, geosciences, psychology and sociology, as well as academic success workshops. New for fall 2018: 24/7 access to online tutoring through ThinkingStorm, which includes Writing Center where you can submit drafts for feedback and get help with core courses when the ASC is closed. Visit the ASC office on the main campus, located on the 2nd floor of Odum Library, or call 229-333-7570 for an appointment, or visit the website where you can make appointment for yourself (www.valdosta.edu/asc).

1	An Introduction to the Human Body
2	The Chemical Level of Organization
3	The Cellular Level of Organization
4	The Tissue Level of Organization
5	The Integumentary System
6	

Tentative Lab Schedule - This is the order in which we will cover topics.

1	January 13	_____	
2	January 20	Microscope and Cells	1,2
3	January 27	Tissues and Skin	4
4	February 3	Tissues and Skin	4
5	February 10		
6	February 17	Skeletal System	5
7	February 24	Skeletal System	5
8	March 2		
9	March 9	Muscular System	6
10	March 16	_____	
11	March 23	Muscular System	6
12	March 30		
13	April 6	Brain	7
14	April 13	Eye	8
15	April 20		
16	April 27	_____	

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be
