*Sponsored by The Department of
Communication Sciences and Disorders*

Dr. Robert A. Hull, Jr.'s foresight in academia led him to develop and teach undergraduate and graduate courses at Ball State University and Valdosta State University. In addition

to his role as a beloved professor and advisor, Bob was a clinical supervisor, a clinic director, an off campus placement coordinator, and the parliamentarian and executive secretary of the university faculty senate.

His impact on the SLP profession spanned the country through his service to multiple state and national professional organizations, including being a member of GSHA for 23 years. Over time, he held every office in the association, including President for two terms. He also served on several ASHA committees and was the Publications and Technology Chair for the Council of State Association Presidents, an affiliation of ASHA. At the 2009 GSHA annual convention, he was awarded the Honors of the Association in recognition of his outstanding performance in clinical
